### **Woman's Missionary Union Report**

The W.M.U. has been busy over the past year with various projects and training. In August 2013 we conducted age group training at Immanuel Baptist Church. We had some people attend the annual meeting of W.M.U. which was held at First Baptist Church, Hopkinsville.

Our association celebrated the 125th anniversary of W.M.U. in the Southern Baptist Convention at First Baptist Church, Somerset on Saturday, May 4.

We had a good participation from our Churches. We have many good mission projects planned for 2013-2014. We encourage our churches to be involved in missions by praying, giving, and going.

This past year has been another good year at the camp. We had good attendance and spirit-filled services. We had our best retreat season ever. We are almost finished with the new kitchen, dining room and chapel.

We had a great summer staff and wonderful volunteers who served our camp well. Each summer is a new adventure for me. There are always a multitude of challenges with wearing the Camp Manager's hat. At the beginning of each summer, we take our staff and spend a week teaching them God's basic principles. They learn about authority, how to honor parents, how to relate to each other and much more. This staff as a whole, took these principles and not only applied them to themselves, but also shared them with the campers in their cabins and as they were teaching them in classes. I saw staff members who were dealing with deep seated problems become free. There is no greater reward than witnessing staff and campers set free from the bondage of sin. To see them leave camp with a new countenance and purpose was thrilling. In the midst of all the busyness that it takes to make this happen, God reminds me that the most important part of my job is to stay close to Him. These past 22 years, God has always tried to convey to me the importance of providing a place for men, women, girls and boys to come and escape the pressures and distractions of the world so they can meet Him face to face. For over the past 32 years Laurel Lake Baptist Camp has been such a place. God uses this camp to provide a sanctuary for the lost and hurting to come and be healed.

Thank you so much for your support of the camp. We could not do what we do without the help of the local church. Please pray that the Lord will continue to give us the vision and the resources we need to reach the lost for Christ!

Your Partner in Missions,  
Pat Callahan

### **PULASKI BAPTIST CAMP WEEK**

This year Laurel Lake Camp was held July 8<sup>th</sup>-12<sup>th</sup> with 37 counselors and 125 campers. There were 22 professions of faith and 14 rededications. This year our camp pastor was Brother Patrick Butcher who did a great job. During the week of camp we also had a Brittany Rayan, a former camper and counselor for many years led the music. Our music was a wonderful accompaniment to the messages brought forth during the week. Most of our classes with the exception of crafts were taught by our people from Pulaski County and they did a great job and the kids performed what they learned during the week on family night. This week was another display of God's power and your prayers.

It is so wonderful to see all the people who come to camp each year and leave changed and looking forward and planning for the next year of camp. All of our workers take time off work and some away from their families to glorify God and lead the lost through Christ into the Lambs Book of Life. We want to thank all those who volunteered, given money for scholarships and most of all those who pray for camp all year around.

We want you to know how much the scholarships mean to the campers. Each year for the past 33 years we have never had to turn down a child who wants to go to camp. We have always found the money because many of our campers would not be able to go without these scholarships and because of them many campers now have a relationship with Christ.

The girls' dorm was finished and so is the new Manna House and Worship Center were almost complete and hopefully will be ready to use next year for camp. Please remember to promote the next summer camp with the youth at your churches.

In His Service, Gilbert & Rita Robinson, Camp Directors

# **Constitution of the Pulaski County Association of Missionary Baptists**

## **ARTICLE I - Name**

This Association shall be called the Pulaski County Association of Missionary Baptists.

## **ARTICLE II - Purpose**

In the service of our Lord Jesus Christ, the purpose of the Association is (a) to bring the cooperating churches together to more effectively communicate the Gospel to the community, (b) to strengthen the educational programs of the churches in order to meet the needs of the growing church, and (c) to encourage each church to fulfill its mission and ministries in the world.

We are a fellowship of cooperating churches, living in a changing world, with the power to give to it the Gospel to meet its needs. Therefore, in harmony and fellowship through the association we shall endeavor to reach out to touch all people of all ages everywhere, at home and abroad.

As we fulfill this purpose together we will endeavor to follow the Bible admonition to “be not weary in well doing,” (2 Thessalonians 3:13), and to always glorify our Lord Jesus Christ in all our work.

## **ARTICLE III - Meetings**

The Pulaski County Association of Missionary Baptists shall convene for a Fall meeting (1) (preferably October) for the purpose of having annual reports, sermons, to act upon the proposed budget of the Association, (2) and other business relating to the Association. The Association shall also meet in the Spring (preferably April), for the purpose of electing officers and the organizational heads of the Association as outlined in Article VIII, and (3) to hear the annual State of the Association address by the Director of Missions.

Roberts Rules of Order (latest revision) will serve as the parliamentary guideline for all business sessions unless otherwise directed by this constitution. The moderator will allow reasonable latitude in conducting business, so long as there is no objection from the floor.

## **ARTICLE IV - Membership**

The Body shall consist of six (6) members from each of the associated Churches (the pastor and five elected members) and the Director of Missions and officers as listed in Article VIII.

## **ARTICLE V - Local Church Sovereignty**

This Association shall not exercise any ecclesiastical authority over the Churches nor impose any moral obligations upon them; but is simply an advisory council and may recommend, advise, urge importance of duty, and obedience to the Gospel of Jesus Christ.

## **ARTICLE VI - Reception and Withdrawal of Churches**

Any church desiring membership in the Association shall submit to the Credentials Committee a letter documenting such a request by the church in a business meeting and a copy of its constitution and by-laws, if available, prior to either a Spring or Fall meeting of the Association. Upon a favorable recommendation by the Credentials Committee, a majority vote of the body shall confirm the inclusion of the petitioning church, following which the Moderator shall recognize the seating of their messengers and authorize the inclusion of their Annual Church Letter in the records of the Association.

A Church may be dismissed from this Body by applying for permission to withdraw. The Association has the right to withdraw from any Church whose faith or practices are found at variance with those of this Body. The interpretation of our faith and practice is to be found in “Baptist Faith and Message” as adopted by the Southern Baptist Convention in 2000.

## **ARTICLE VII - Executive Board**

There shall be an Executive Board composed of one member from each associated church, to be recommended by the church, and all pastors of churches in this Association. Twelve members shall constitute a quorum. The Board shall have charge of the work of the Association during the interval between its semiannual sessions.

Decisions of the Executive Board will stand as voted unless specifically reversed by a subsequent vote of the Executive Board or by the Association as a body.

Any member of the Board may call for action upon an item of business, whether it be new business, old business, or an item referred to a committee so that the work of the Association may advance in a timely manner.

All standing committees will work on a three year rotation, one third of their members rotating off annually, being replaced by newly appointed members. Committee members may be eligible for reappointment to the same committee.

## **ARTICLE VIII - Leadership**

The work of the Association shall be lead by a Director of Missions who shall be called by the Executive Board to serve in this role. He shall be guided by a written job description and will work within its directives in the fulfilling of his duties. These shall be elected at the Spring meeting to take office at the close of the Fall meeting. No one shall be eligible to the position of Moderator for more than two successive terms. Their duties shall be set forth in job descriptions appropriate to each position.

A Nominating Team, which is composed of six (6) members of which 2 will rotate off each year, will begin serving at the close of the Fall annual meeting. The moderator shall appoint the two (2) vacancies and announce them at the Fall annual meeting. The Treasurer, Sunday School Director, Discipleship Training Director, Music Director, Woman's Missionary Union Director and other such officers as may be needed shall be nominated by the nominating team. A report of these nominations shall be made to the Executive Board prior to the Spring meeting for its approval and then presented at the Spring meeting for election.

## **ARTICLE IX - Annual Church Letters and Reports**
